Austin Weekly Deal Highlights

August 1, 2021

Mason Rathe

Aug 2

So I've got good news and bad news. Let's start with the bad.... Apparently, it is somehow August, when 2020 was just a couple weeks ago?? And then there is the good news. From, a venture perspective, we have had an extraordinary year, pulling in a record amount of funding in Q2! Don't be that person who hasn't read the [Texas Q2 Venture Report](#).

Thanks to this week's sponsor!

[Escalate Capital Partners](#) is an Austin-based growth capital fund founded in 2005. Since its inception, Escalate has invested more than \$1B into over one hundred rapidly growing, venture-backed companies. The Escalate team has investment experience within the technology, software, services, and healthcare sectors. To learn more about how our capital solutions can accelerate growth, reach out to us at any time - info@escalatecapital.com

Austin Financing Activity

- [QuotaPath](#), a Austin and Philadelphia-based sales software platform, raised a [\\$21.3M Series A](#) round led by **Insight Partners** with participation from **Stage 2 Capital**, **HubSpot Ventures**, **Integr8d Capital**, **ATX Venture Partners**, and **Chris Weber**. This round raises QuotaPath's total funding to nearly \$30M.

- Spot, a Austin-based insurtech company, raised \$15M in new equity funding along with \$2.5M in debt funding. The equity round was led by **GreatPoint Ventures** with participation from **Montage Ventures, Mutual of Omaha, MS&AD, and Silverton Partners**. Spot previously raised \$5.8M in funding in 2018.
- ConverseNow, an Austin-based automated restaurant ordering assistant and kiosk company, raised a \$15M Series A round led by **Craft Ventures** with participation from **LiveOak Venture Partners, Tensility Venture Partners, Knoll Ventures, Bala Investments, 2048 Ventures, Bridge Ventures, Moneta Ventures, Federico Castellucci, and Ashish Gupta**. This brings ConverseNow's total funding to \$18.3M.
- Eterneva Inc., an Austin-based company that makes memorial diamonds from the remains of deceased loved ones and pets, raised a \$10M Series A round led by **Tiger Management** with participation from **Capstar Ventures, Next Coast Ventures, Goodwater Capital LLC, Mark Cuban, Founder Collective, Lydia Jett, and Kara Nortman**. Eterneva has raised \$16.7M to date.
- 83bar, a Patient Journey and Activation Technology platform raised an undisclosed equity investment from **HealthQuest**, as well as a \$20 million debt facility from **MidCap Financial Trust**.
- Moon Ultra Inc., an Austin-based smartphone-powered mobile lighting device maker, raised \$3M in equity and securities options
- Wander.com Inc., an Austin-based company which appears to be in stealth mode, reported it raised \$2.8M according to an SEC filing.
- Renovate Simply Inc., an Austin-based construction financing platform which does business under the name “**Rabbit**,” closed a \$1.9M Series B round. This brings their total funding up to \$9.9M after a \$8M Series A led by **QED Investors** in 2019.

Austin M&A Activity

- Silicon Labs(NASDAQ: SLAB), the Austin-based wireless technology company, has completed the sale of its infrastructure and automotive business to Skyworks Solutions (NASDAQ: SWKS) in a \$2.75B all-cash asset transaction. Silicon Labs plans to use proceeds to bring returns to shareholders through special dividends or share repurchases. Silicon Labs has a market cap of \$6.7B while Skyworks has a market cap of \$30B.
- ESO, an Austin-based emergency responder software company, acquired Emergency Reporting, a Washington-based software company in the same industry. The terms of the deal were not disclosed. ESO has received over \$44M in funding to date, while Emergency Reporting serves 7.5K fire and emergency departments nationwide.

- Sauceda Industries, an Austin-based 3PL provider committed to providing fulfillment services to ecommerce brands of all sizes, was acquired by Cart.com, an end-to-end ecommerce-as-a-service provider, for an undisclosed amount.
- Ocue, a dynamic ticket pricing platform, was acquired by On Location Experiences, a subsidiary of **Endeavor (NYS: EDR)**, for an undisclosed amount

Other Texas Deal Activity

- TPG, the Fort Worth and San Francisco-based investment giant, announced its first closing of \$5.4B for its inaugural climate-focused fund. TPG looks to raise \$7B for the fund by the end of the year. Initial investors include **Allstate, The Ontario Teachers Pension Plan Board**, and the **Washington State Investment Board**.
- **Mercury Ecommerce Acquisition Corp**, a Houston-based blank-check company with leadership from Houston-based venture capital firm Mercury Fund, raised \$175M in its initial public offering. The new SPAC aims to combine with a high growth target with bolt-on acquisition opportunities and a substantial recurring revenue base.
- Intrinsic Imaging, a biotech startup that provides imaging support mainly to clinical trial vendors, has been acquired by WCG Clinical, Inc. for \$80 million.
- OneDay, a Dallas-based video storytelling tech maker, raised \$19 million in Series B funding. **Volition Capital** led the round.
- SolCyber, a Dallas-based managed security services provider, raised \$20 million in Series A funding from **ForgePoint Capital**.
- ParkHub, a Dallas-based parking solutions company, raised \$5.5M in equity and other securities of an \$8M fundraising vehicle titled “ParkHub, Inc.”, according to a public filing. ParkHub recently acquired CurbTrac, a parking payment management platform, and Bonfire, a campground management and reservation platform.
- Nada, a Dallas-based real estate tech platform, raised more than \$1.8M from nearly 4K investors in a crowdfunding campaign on the **Republic** platform. This brings the seed round’s total to more than \$2.5M.
- FlexXray, an Arlington-based food inspection and recovery service provider, was acquired by Warburg Pincus and Tilia Holdings from **Leichtman Capital**. Although financial terms of the deal were not disclosed, the deal was described as a “significant growth investment.”
- MediBookr, a Dallas-based digital health platform, has been acquired by StratiFi Health, a Plano-based integrated population health solutions firm. The terms of the deal were not disclosed, but MediBookr has

raised \$3.3M to date.

- Visual BI, a Plano-based data analytics and business intelligence company, and Nimbix, a Irving-based computing cloud platform provider, were acquired by Atos, a Paris-based international tech firm for undisclosed amounts.

Austin People

- Silicon Labs(NASDAQ: SLAB), the Austin-based wireless technology company, will be losing longtime executive and CEO of nearly a decade, **Tyson Tuttle**, at the end of the year.. Starting January 1st, 2022, the company will be led by **Matt Johnson**, its current president. Silicon Labs has a market cap of \$6.7B.
- CynergisTek(NYSEAMERICAN: CTEK), an Austin cybersecurity and compliance firm, re-appointed its founder, **Mac McMillan**, who announced his retirement in 2019, as president and CEO, replacing **Caleb Barlow**, who has been CEO since August 2019. CynergisTek has a market cap of \$26M.
- Literati, an Austin-based subscription book club company, named**Nathan Sutter** as VP of engineering. Previously, Sutter was head of ecommerce engineering at Houzz, after working at Hulu, Raytheon (NYSE: RTX), and NASA. Literati has raised \$54M to date.
- Strap Technologies, an Austin-based wearable device company for the visually impaired, appointed**Natalia Ferriz** as marketing director. She was previously head of communications at **Makken** and has a consulting firm called leadit.mx. Strap has received \$1.9M in funding to date.
- Point Health, an Austin-digital health company, appointed **DJ Nguyen** as its CTO. Nguyen was most recently director of software engineering at Resideo and has worked at Sony Electronics and American Specialty Health in the past.

Austin News

- **Vacasa** to go public after buying Austin's **TurnKey Vacation Rentals**. The vacation rental management platform is going public through a merger with a special purpose acquisition company in a deal that values the Portland company at \$4.5 billion.
