Austin Weekly Deal Highlights

August 8th, 2021

Mason Rathe

Aug 9   

I tried reasonably hard to come up with an intro that had anything to do with Covid, and how I should go to Goodwill and buy back all my pandemic slacks (sweatpants) I gave away last month, but alas, here we are in Stage 5, and this intro sentence just happened. So now that we have that out of the way, what else happened in Austin this week?? Austin's newest tech unicorn **Abrigo** landed a major investment, social service platform **Social Solutions** picked up by a new private equity behemoth, and is Austin getting an NFL team?? (probably not..)

ZYDECO
DEVELOPMENT

Thanks to this weeks sponsor! Zydeco Development Corporation is a privately held Commercial Real Estate Development firm based in Austin. We have spent the last three decades building millions of square feet, focused on master planned business parks and communities. With roots deep in the local area, our firm has also dedicated significant time and resources to various non-profit organizations and projects. [Current Projects](#)
