## **Austin Weekly Deal Highlights**

*February 4th, 2024*

Hi boys and girls, miss me?? I am so sorry for my MIA status over the past several weeks. Life caught up with me. Between my job that pays the bills, the kids, and just L I V I N G, I have not had time to be your faithful weekend journalist. It has been one hell of a ride. For context, I have been doing this newsletter for over 7 years, and until a few weeks ago, had not missed a single week (audience gasps!). Well, there comes a time in every man's life when he must accept that he is no longer capable of what he once was. And that time us upon us! The time has come to pass the torch. If you are interested in taking the baton, please shoot me a note. But beware, this is a heavy crown to wear! Not really.. But there are over 12k subscribers with a 40%+ open rate, so the quality has a very high bar that the audience has come to expect. Excited to see what the next generation of this newsletter will bring. I appreciate all of you who have been with me over the years, this newsletter will always hold a special place in my heart ☐
